Youth Waiver for Restoration Activities

Thank you for joining Forterra for a habitat restoration activity.

Activity Description

Restoration work parties are primarily held outdoors and involve many activities ranging from removing weeds (invasive species) to planting native tree and shrubs. Please be ready to be active and spend multiple hours moving around and exerting yourself.

What to Wear and Bring:

Youth should make sure to bring clothes appropriate for the weather and wear clothes that they don't mind getting dirty. Long pants, long sleeve shirts are sturdy shoes are the best. Rain gear is must for fall, winter and spring! Gloves and tools will be provided at the activity.

Food and Drinks:

Please bring a filled reusable water bottle. Depending on your event, food and snacks may be provided; please check with your event leaders. It is often a good idea to bring a snack or lunch for the day.

Volunteering without a parent or guardian:

Any youth (under the age of 18) participating in Forterra volunteer events without the company of his/her legal parent or guardian must provide this signed youth waiver prior to the event or at on-site event registration.
