

FORTERRA MASTER PLAN PRESENTATION

Community Invitation

Date: Thursday, November 12, 6:30pm

Where: Online Meeting, Zoom

Forterra is developing a new neighborhood in Hamilton. Over the past two years, Forterra has hosted six public meetings and had countless conversations with neighbors, leaders, and town allies. The community responded with curiosity, honesty and enthusiasm. We have taken your input to heart, and now Forterra is ready to share the vision for the new neighborhood. Please join us!

DEVELOPING THE MASTER PLAN

The Hamilton Master Plan will provide an illustrated conceptual layout of the new neighborhood, including houses, parks, pathways, roads, and other elements. The Master Plan will not include details like housing designs and playground equipment, but will illustrate where these features could go and how they may look.

MASTER PLAN MEETINGS

The first Master Plan meetings were held on August 29 and September 1. If you would like to see the presentation, please visit the Hamilton Community Page: www.Forterra.org/HamiltonNews

In our next meeting, we will present the draft Master Plan. During this presentation, you will see the various aspects of the new neighborhood, how the community will flow and get a sense for the types of sub-neighborhoods. A community discussion will follow.

If you are unable to attend either session and would like to discuss the project, please contact Senior Project Manager Susan Melrose by email or by phone. All meeting presentations and notes will be posted on Forterra's website and emailed by request.

MEETING 2: DRAFT MASTER PLAN PRESENTATION

Thursday, November 12

6:30 – 8pm

Online Zoom Meeting
