

LANDOWNER PROJECT AGREEMENT

I _____ agree to allow Forterra, or its assigned contractors, to survey for and treat invasive knotweed (*Polygonum bohemicum*, *P. cuspidatum*, *P. Sachalinense*, *P. polystachyum*) that is found on my property with a state-approved and permitted aquatic herbicide. This permission pertains to only the following property which I own:

Site Address/Location, Parcel(s): Address: _____

King County Parcel ID Number (if known) _____

I understand this work will be carried out safely, efficiently, and as completely as possible. Further, I understand that funding for this work is being provided at no cost to me by either King County WaterWorks or King County Flood Control District (the "Program Funder"). I understand that this free service is only available for the duration of this allocated funding. I do hereby, for myself, and my heirs, executors and administrators, waive, release, and forever discharge any and all rights and claims against the Program Funder and Forterra, and their respective officers, directors, employees, insurers, representatives, agents, successors and/or assigns for any and all loss, liability and/or damages claimed to have been caused by any activity related to the foregoing knotweed control, except that resulting in whole or in part from the gross negligence of Forterra or any of the aforementioned parties.

Permission is granted for:

10 year (agreement expires 12/31/2032)

5 years (agreement expires 12/31/2027)

3 years (agreement expires 12/31/2025)

_____ (years of your choosing) (agreement expires: 12/31/_____)

If I don't specify a date, this agreement will expire on December 31, 2022. I understand that I will be contacted annually for an update about this project and will be notified before anyone enters my property, regardless of the duration of this agreement. I understand that I may revoke my permission at any time either verbally or in writing.

Knotweed is an aggressive invasive plant that requires several years to eradicate, by giving us permission for several years you will help ensure we can eradicate it from your property.
